County of San Luis Obispo

TO: Board of Supervisors

FROM: Public Works
Joanne Hilker, Accountant

VIA: John Diodati, Deputy Director of Public Works

DATE: 6/7/2016

SUBJECT: Submittal of a resolution to levy original assessments for costs of San Luis Obispo County Flood Control and Water Conservation District Zone 1 and 1A (Arroyo Grande Creek Channel and Los Berros Diversion Channel of Arroyo Grande Creek). District 4.

RECOMMENDATION

It is recommended that the Board, acting as the Board of Supervisors for the San Luis Obispo County Flood Control and Water Conservation District:

1. Approve the attached resolution to levy assessments as stipulated therein; and
2. Direct the Clerk to file the approved resolution with the Auditor/Controller/Treasurer/Tax Collector (ACTT) no later than August 10, 2016.

DISCUSSION

The benefit assessment funds activities associated with the Arroyo Grande Creek improvements (Zone 1), and the Los Berros diversion channel to Arroyo Grande Creek (Zone 1A). This rate has been in effect more than twenty-seven years. The original rate was in effect when Proposition 218 was passed. No vote on these original assessments is required unless the rate is to be increased.

On June 6, 2006, voters approved an additional annual assessment to fund increased maintenance activities. This additional assessment will be brought to your Board in a separate item.

OTHER AGENCY INVOLVEMENT/IMPACT

The office of the ACTT will process the collection of service charges on the property tax bills. County Counsel has approved the Resolution as to legal form and effect. The County Clerk will file the Resolution with the ACTT.

FINANCIAL CONSIDERATIONS

Section 13 of the San Luis Obispo County Flood Control Act 7205 allows for the recovery of costs associated with maintaining or improving the flood control and/or drainage systems. The amount of the assessment, per parcel, is \$10.00 per acre rounded to the nearest 1/2 acre. The revenues are included in the proposed Flood Control Zone 1 and 1-A budgets for 2016-17. The total of this

assessment levied in Flood Control Zone 1 will be approximately \$15,800, which represents 3% of the district funding. The total of this assessment levied in Flood Control Zone 1A will be approximately \$2,100, which represents 7% of the district funding. See the resolution exhibit for the amount charged each parcel.

RESULTS

This revenue will be used to finance flood control services within the respective districts resulting in an enhanced quality of life, as well as a safer, more prosperous community.
